

Student Health Clinic Services: Immunization FAQs

Which immunizations are required?

All students attending Georgia State University are required to submit a written or electronic healthcare provider record to the GSU Student Health Clinic confirming immunization to measles, mumps and rubella (MMR); varicella; and tetanus, diphtheria, and pertussis (Tdap).

Students who are less than 19 years old at the time of registration are also required to have received the hepatitis B vaccine series.

It is required that students residing in campus housing receive the meningococcal conjugate vaccine.

Immunization exceptions (waivers) are customized accordingly for religious, military and medical reasons with proper documentation. Online or distance learning students are not required to provide their immunization records unless they are spending time on campus.

How can I confirm that my immunization records were received?

Our immunization staff are still available to help you with any immunization needs you may have. You can reach them through our Immunization Line (404-413-1941) or our immunization email pcimmunizations@gsu.edu.

How long does it take to remove an immunization hold after I have submitted my records?

Please allow at least 48 business hours for the information to be updated and reflected in your Panther Paws account.

Can I submit my immunization records via email?

Yes. Send your immunization record to pcimmunizations@gsu.edu.

I have an immunization hold. Can you tell me which immunizations I am missing?

Our immunization staff are still available to help you with any immunization needs you may have. You can reach them through our Immunization Line (404-413-1941) or our immunization email pcimmunizations@gsu.edu.

How can I obtain a copy of my immunization records?

On the GSU student health clinic webpage (<http://health.gsu.edu/>). Click on the About tab, and the forms link which will open access to the form entitled (release of information consent form). Requests of immunization records are processed each Wednesday.
